

University of Florida | Division of Rheumatology  
Rheumatology Grand Rounds

“LUPUS INTUS: Pathology Review of Lupus Nephritis”

Presented by:  
Raafat Makary, MBBS, PhD  
Associate Professor

October 1, 2021 | 1:30pm/2:30pm  
Saffos Conference Room

**LEARNING OBJECTIVES:**

**Upon completion of this activity, participants should be able to:**

1. To highlight the: indications for renal biopsy in SLE
2. Evolution of the classification of lupus nephritis (LN)
3. Histologic keys of different classes of LN
4. Histological overlap with other glomerulonephritis/glomerulopathy (GN/GP)
5. Helpful clues for distinction of LN from other GN/NP
6. Prognostic value of LN classes
7. Histologic predictors of poor clinical outcome
8. Pathogenic mechanisms correlation with different classes and clinical presentation

**Disclosure**

Raafat Makary, MBBS, PhD, speaker, has disclosed he has no relevant financial relationships. Gurjit Kaeley, MBBS, MRCP, RhMSUS, Activity Director and speaker has disclosed that he received research grant funds from Gilead, Pfizer, Abbvie, and Janssen and he is a consultant for Novartis. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website:

<https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.
